Aphasia Support Group

This group may be helpful to you if:

- you or a family member have difficulty communicating, following a stroke, head injury, or other neurological problem;
- you have finished formal speech therapy but feel that you have ongoing deficits; or
- you are concerned that your difficulty in speaking is continuing to affect your lifestyle.

Dates: Thursday mornings

Time: 10:30-11:30 am

Location: Littleton Adventist Hospital

Please stop at the Information Desk for directions to the meeting room.

FACILITATOR: Connie Carson
Speech and Language Pathologist, PhD-CCC.

When you attend for the first time, call Connie at 303-798-7614 or send an email to concarson@aol.com.

For questions or more information contact Connie, or Janet Carlson, RN, Stroke Program Coordinator, Littleton Adventist Hospital, at 303 734-8694 or janetcarlson@centura.org
