

PROTECT YOUR HEALTH

CASTLE ROCK CONNECTED

Breast cancer and heart disease—two of the most common diseases affecting Americans. The good news is that both of these diseases can be stopped in their tracks with early detection and treatment of risk factors and symptoms. **Join Castle Rock Adventist Health Campus on Feb. 22 for a Day of Health.**

Music, Mammograms and More

Weds., February 22 • 7 a.m. – 5 p.m.

Castle Rock Health offers the latest digital mammography and all mammograms are reviewed by a radiologist certified in breast health. Schedule your annual screening mammogram and enjoy free refreshments. First-time patients receive a free gift.

Appointments are required; please call 720-455-1111 to schedule your screening.

Please have insurance information available; if you are uninsured, self-pay discounts are available.

FREE cholesterol screening

Weds., February 22 • 7 a.m. – 9 a.m.

Get a complete cholesterol screening, including HDL, LDL, and triglyceride levels. Screenings are open to all, but appointments are limited. **Registration is required; please call 303-777-6877, option 1, to schedule your screening.**

Fasting is required.
